## Media coverage

*"Several of our residents, fellows, and faculty members say they get to spend an extra 20 to 30 minutes per day focusing on patient care as opposed to digging through the EHR."*

*"It's not a required thing; it's that they want to use it because it helps them and it saves them time."*

*-Dr. Ajay Dharod, Vice Chair of Informatics and Analytics, Assistant Professor of Internal Medicine, Wake Forest School of Medicine*
