12.6% decrease in costs

Smart Ribbon average

cost savings per discharge range:

\$62 - \$124

Media coverage

"IllumiCare has been an enormously useful tool to help us track provider spending down to a micro level and make adjustments where necessary. In fact, this tool has already enabled us to reduce costs by an average of \$100 per patient after using it for only six months."

– Bonny Chen, Chief Health Information Office
